

Oregon Holistic Nurses Association

Serving Holism in Oregon, Washington and California Since 2007

We Are the Change

Holistic Nursing is a Vehicle for Making Changes We Want to See in the World.

The Oregon Holistic Nurses Association (OHNA) provides opportunities for professional and personal development to the growing Oregon holistic nursing community.

It serves as a bridge between the traditional medical paradigm and the universal complementary and alternative healing practices.

As an inclusive organization, OHNA welcomes diversity in the beliefs and attitudes of its members. The boundaries of OHNA membership also reach beyond the discipline of nursing to include other professional holistic health practitioners.

OHNA Activities and Benefits:

- Annual conference with contact hours; discounted to members
- Networking opportunities
- Opportunities for speaking engagements and nursing leadership
- Member information listed on website – optional upgrades provides a bio and website or facebook links.
- Biannual newsletter
